UK Vascular Trainees' Association

Dear Vascular Society Member

We would be grateful if you could circulate the communication below to your Juniors.

The Rouleaux Club in conjunction with the Vascular Society of Great Britain and Ireland are proud to introduce **Aspire Junior**

A series of fortnightly webinars aimed at Medical Students, Foundation Doctors and Core Trainees. Covering the basics of vascular surgery with tips and tricks for thriving on a vascular placement.

They will take place on **alternate Thursday evenings at 8pm**

Topics will include:

- Vascular History and examination
- Vascular Anatomy, clinical application and imaging
- Pre-operative assessment, vascular operations and the language of vascular surgery
- Acute Limb Ischaemia
- Diabetic foot
- Peripheral vascular disease and critical limb threatening ischaemia
- Abdominal Aortic Aneurysms
- Common Post-operative problems and what to do.

The inaugural webinar was Thursday 30th July 8pm -Vascular History and Examination. This was recorded and will be available shortly to Rouleaux club members on the Rouleaux club website (www.rouleauxclub.com)

The next webinar will be held **Thursday 27th August 8pm** covering **Pre-operative assessment, Vascular Operations and the language of vascular surgery**
